GOOD CLOTHES—NOTHING ELSE Eliot A. Fuller Store Here's One Good Way to END AGONY OF NEURITIS Newark Man Knows How and Loses 10 Pounds

"Gentlemen: I used Kruschen Salts to try and get rid of Neuritis from which I had suffered for one year in my left shoulder and arm... I took a little of the salts in the morning, sometimes in my coffee, other times in water. I would also occasionally take a dose in water at night before retiring. For 3 months I used the salts and while I lost 10 pounds in weight, the pain in my shoulder HAS ENTIRELY DISAPPEARED. During the time I was taking the salts, I received no other medical treatment, so I am fully convinced the Kruschen Salts did the trick." C. K. Murray, Newark, N. J.

Take one-half teaspoonful of Kruschen Salts in a glass of hot water every morning—a jar lasts 4 weeks—get it at any drugist in the world—costs but a trifle.
